

BOSTON BASIL'S welcomes YOU with Aloha to our Italian Restaurant and offers a BIG "MAHALO NUI LOA!" for your patronage!

Over the past few years, we have put together an exciting menu and have kept adding our new specialties that you, our customers, have requested. We hope you continue to enjoy our menu and its diverse flavors. **Your votes have made us the BEST ITALIAN RESTAURANT IN WEST HAWAII for both 2008 and 2009!**

As owners, we strive for excellence in your dining experience. Please let us know if you enjoyed our selections. If you have enjoyed your dining experience with us, please feel free to visit www.tripadvisor.com or www.konaweb.com and post your review. Mahalo!

We have **TOTALLY** renovated our restaurant. We thank our daughter, Jackye Hilton, for the design that captures the feeling and essence of a warm and inviting Italian Trattoria.

With a beautiful view of Kailua Bay, our upstairs lounge, "BB's Topside Lounge," features a FULL BAR and special live performances of JAZZ, BLUES, and HAWAIIAN music on Wednesday through Sunday nights. It is also available for private parties and special occasions such as meetings, weddings, showers, graduations, etc. We also offer CATERING for your special events. Please call for music or catering information or to book your special event.

Jack and Terry Hilton, the owners, invite all our guests to enjoy our menu choices in our lovely updated Trattoria and Lounge, where, ***in just moments...you're family!***
